Marie,

It would be the Quarterly update review fee (\$500) because the Long Term Monitoring Plan review fee is used when you submit a Long Term Monitoring Plan. So please submit the check for \$500. Thanks. Lisa

Hi Lisa,  
I believe you already received the 3M Downtown Facility Progress Report (dated May 29, 2007). We would like you to review some of the proposed changes to the system operation and groundwater monitoring plan, but I want to make sure I send you the correct review fee amount. Would this be a Quarterly Update review fee (\$500) or a Long Term Monitoring Plan review fee (\$300)? We will send another copy of the report along with the review request and check for your convenience.

Thanks as always for your help,  
Marie
