Subject: Acknowledgement of Receipt; Long-Term Care License Application
Beazer East, Inc.

Dear Ms. Patarcity:

The department has received a long-term care license application from Beazer East, Inc. (Beazer) for the Koppers Inc./Beazer East, Inc. facility located at 3185 County Road A in the Town of Superior, Wisconsin. This was included as part of Beazer's letter dated November 1, 2021 that addressed the department's conditional close-out letter dated May 5, 2021, and was received electronically on November 1, 2021 and in paper form on November 2, 2021. Thank you for this submittal.

When not explicitly listed in Appendix I of ch. NR 670, Wis. Adm. Code, s. NR 670.042(4), Wis. Adm. Code establishes that a facility submit a Class 3 modification request, or request classification as a Class 1 or 2 modification and provide the department with information to support the requested classification. This classification request should consider the similarity of the modification to other modifications codified in Appendix I and the criteria in s. NR 670.042(4)(b)1 through (b)3., Wis. Adm. Code. We request that Beazer provide us with this classification information within 30 days of the date of this letter, so that we can determine the appropriate classification in accordance with s. NR 670.042(4)(b), Wis. Adm. Code. Please feel free to contact me if you would like to discuss the classification process.

Please contact me with any questions at 608-843-2160 (mobile) or douglas.coenen@wisconsin.gov.
