Dear Mr. Alessi:

The Enhanced Reductive Dechlorination Performance Monitoring Report,¹ which included the baseline and post-remediation groundwater performance results from April 2022 through March 2023, was shared with the Wisconsin Department of Natural Resources (WDNR) on June 8, 2023. The report also included the proposed schedule for supplemental sampling.

Please feel free to contact the undersigned with questions.

Very truly yours,

GZA GeoEnvironmental, Inc.
