**Subject:** Amcast April Monthly Update

Margaret & Krista:

Attached please find the April 2019 Monthly Update for the Amcast North, Central and South Sites in Cedarburg, Wisconsin. This submittal is being provided in satisfaction of Oliver Fiontar, LLC's obligations under the Wis. Stats. 75.106 Agreement dated August 2, 2018.

A copy of this report will be uploaded to the BRRTS DNR FTP files for the Amcast North, Central and South sites shortly.

At this time, Oliver Fiontar, LLC is requesting that the required provision of monthly updates contained in the August 2, 2018 agreement be modified by the DNR Project Manager to permit the provision of quarterly updates from this point forward rather than monthly updates. Oliver Fiontar, LLC requests that the modification indicate that quarterly updates are to be provided by Oliver Fiontar, LLC to the DNR by July 1, October 1, January 1 and April 1 of each year. Please advise if this request will be granted.

Please contact me via email at [djburns@drakecg.com](mailto:djburns@drakecg.com) or cellphone at (414) 881-0003 if you have any questions regarding the information contained in this Update Report.

Thanks for all of your assistance with this project.
