Dear Mr. Carow:

The Wisconsin Department of Natural Resources (DNR) received your letter dated May 7, 2021, regarding an extension to the deadline for submitting a site investigation workplan (SIWP). The DNR understands construction of the Marinette Marine Corporation d/b/a Fincantieri Marinette Marine (FMM) Buildings 34 and 35 is currently underway. Construction activities are being conducted in conjunction with the materials management plan approved by the DNR on March 19, 2021.
