Mr. Neste,

As expressed on the phone call that you had today with Tom Carow, Director of Environmental, Health, and Safety (EHS) for Fincantieri Marinette Marine; we request to extend the due date of our Site Investigation Work Plan (SIWP), that was previously extended to June 22, 2021, by an additional thirty-eight (30) days to July 22, 2021.

We are working vigorously with our environmental team to gather the proper documentations, and our respective historical information. We thank you for your flexibility as we continue to properly handle the situation at Building(s) 34 and 35 in our shipyard.

Please let me know if you require additional information.

Sincerely,

Mark Sericati
