Hi Janet,

Answers to questions below.

- which addresses are associated with which parcel numbers?
 - 202 Shirland Av.
 - 135-40020
 - 135-40025
 - 135-40030
 - 111 Shirland Av.
 - 135-40073
 - 135-40080
- if addresses for the WP&L site have changed, what is the WP&L address (the historic fill form lists it as 11 Shirland, the Limited Ph II lists it as 111 Shirland,
 - The address for the WP&L site should be 111 Shirland Av., but there were some documents that referenced 11 Shirland Av.
- if the new Stadium will have a new/different address, and **NEW STADIUM ADDRESS IS 217 SHIRLAND AVE., BELOIT, WI 53511**
- which parcels/addresses you are asking for which approvals?
 - 202 Shirland Av. – Former Country Store Site- will just need the Post Closure Modification and will not need the Historic Fill Exemption
 - 111 Shirland Av. – Former Manufactured Gas Plant Site – will need both Post Closure Modification and Historic Fill Exemption.

Please let me know if you have any questions.

Thanks, and have a great weekend!
Brad

Brad,

Do you have time to talk today (between 1:30 and 3 pm) or tomorrow afternoon?
I am working on the approval letters and need some information to complete them.

Most of my questions are related to

- which addresses are associated with which parcel numbers,
- if addresses for the WP&L site have changed,
- what is the WP&L address (the historic fill form lists it as 11 Shirland, the Limited Ph II lists it as 111 Shirland,
- if the new Stadium will have a new/different address, and
- which parcels/addresses you are asking for which approvals

We are committed to service excellence.
