Hi Carrie,

The anticipated schedule for the potable well sampling is the following:

- The City of Rhinelander Utility Billing Department will send introduction letters to the property owners on or before January 6, 2022.
- The City of Rhinelander Utility Billing Department will begin calling property owners on or before January 13, 2022 to schedule the sampling appointments.
 - The City will place door hangers at homes for property owners that have not responded to calls.
- The City of Rhinelander and AECOM sampling team will begin sampling the week of January 17, 2022.

AECOM will update the WDNR with changes to the above schedule. Please let us know if you have further questions.

Thank you

Andrew
