Hi OJ,

Upon review of the September 2023 Vapor Intrusion Summary Report EPA approves the report, but disagrees with the recommendation that no more vapor intrusion evaluation or monitoring is required at the site.

We can discuss the next steps during our monthly call on December 20<sup>th</sup>.

Best,  
Jeff

Hi Jeff and Matt,

Please see the attached September 2023 Vapor Intrusion Summary Report for the Wausau Water Supply NPL Site.

If you have any questions, please let me know.

Thank you-  
OJ
