Subject: New WDNR Project Manager - JCI/TYCO (ANSUL) (BRRTS #: 02-38-000011)

Good Afternoon Denice,

As of today I will officially be the assigned project manager in BRRTS for the Wisconsin Department of Natural Resources (DNR) for the JCI/TYCO (ANSUL) site (BRRTS # [02-38-000011](#)). Please continue to copy Angela Carey on communication and meeting invites, as she will continue to provide support for the site.

DNR will continue to coordinate with US EPA to ensure both state and federal regulations are met. Please reach out with any questions or concerns.

Thank you,
Sarah

We are committed to service excellence.
