Subject: Chippewa Quick Mart, Glidden

Christopher,

I have received your letter regarding the petroleum contamination at Chippewa Quick Mart in Glidden. I have read through the DNR information regarding FY18 Guidelines for Brownfields Cleanup Grants.

Unfortunately, James Kobus the sole owner of Kobus Investments, LLC and Chippewa Quick Mart died in January 2016. The gas station closed September 2015. Kobus Investments LLC is insolvent. The State of Wisconsin forced the gas tank removal and assigned a lien against the property.

The property is set to be released back to Ashland county in December 2017 for non payment of taxes.

Thank you,

Margaret Briggs
Personal Representative for the Estate of James Kobus
