

Citizen Resolution # 040622

(For Hearing Officer completion)

Continue the option for all WCC meetings to have virtual access

Although the Covid-19 pandemic has caused societal havoc for the past two years, it has opened the opportunity for the remote participation to a wider variety of stakeholders in the Wisconsin Conservation Congress. It is the mission of the WCC to include as many citizen voices as possible to assist the WDNR with decisions regarding the management of public resources in our state. Therefore, the practice of meeting access must be maintained and encouraged.

Would you support the requirement of extending virtual participation option for all WCC meetings into the future.
