

Citizen Resolution # 150422

(For Hearing Officer completion)

Funding for WI Farmers for Non-Lethal Predator Prevention Programs 3

Wisconsin does not provide a non-lethal depredation prevention program. There is an obligation to be met to provide mentoring and funding to Wisconsin farmers to offset costs for safeguarding livestock and poultry from Wisconsin's native predators. Serving as an example to WI; Minnesota has a non-lethal depredation prevention program in place with grant money to purchase guard animals, pens, fladry, fencing, lights, alarms, calving or lambing shelters on an 80:20 matching cost share.

Do you support funding for farmers for non-lethal preventative measures to mitigate livestock and poultry depredation?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
