(For Hearing Officer completion)

## Fishing in the sturgeon hole

A few years back I filled out a survey about using a camera for speering. Later I was told that because there was a quota it didn't make any difference how the sturgeon were taken. So if that is the case I would like to see fishing in the sturgeon hole brought back. This would really help keep our kids and grandkids interested. So I would like to propose you bring back fishing in the sturgeon hole. Thank you

## Would you support the Conservation Congress in bringing back fishing in a sturgeon hole
