

# Citizen Resolution # 320822

(For Hearing Officer completion)

## Improving Moose Lake (Sawyer County) Crappie Resource (slot size)

Improving Moose Lake (Sawyer County) Crappie Resource The crappie resource in Moose Lake is suffering from unsustainable harvest practices, both over harvest and the harvest of the largest individuals. Moose doesn't produce the numbers of big crappies it could, nor are its crappies reaching maximum size potential. The lake has amazing crappie habitat, prime spawning areas, high dissolved- oxygen levels, and huge forage base. However, Moose essentially has only one "basin" area comprising less than 3% of its 1700 acres. In that area crappies congregate heavily in the winter and become vulnerable to over harvest. Taking advantage of excellent opportunities created by high density is acceptable, if sustainable harvest practices are observed. Sustainable management practices would improve Moose's crappie resource, and benefit area residents by providing an excellent sport fishery as well as a valuable economic resource. I believe in 3 - 5 years sustainable management practices would allow anglers to harvest more meat and time spent. Moose Lake would be an excellent example to prove the benefit of progressive crappie regulations. BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Sawyer County on April 9th, 2022 recommends that the conservation congress work with the Wisconsin DNR to require the immediate release of all crappies in Moose Lake from 12" to 16" in length. Ted Eisenbacher 600 Westwood Dr. Onalaska, WI 54650 (Moose Lake Cabin Owner)

**Would you support working with the WI DNR to create a Moose Lake crappie release slot from 12" - 16" ?**

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
