

Citizen Resolution # 360122

(For Hearing Officer completion)

Divide turkey hunting Zone 2 into a north and south zone (2N & 2S).

Turkey Management Zone 2 has two of the largest population centers in the state within its boundaries in Green Bay and Milwaukee. Madison, the second largest population center is just outside the boundaries of Zone 2 and certainly draws individuals to hunt in Zone 2. It has become increasingly difficult to get two or three consecutive years tags for any of the early seasons in Zone 2. Dividing the zone at the south boundaries of the following counties; Sheboygan County to Fond du Lac County to Green Lake County to its western border at Hwy 73 would divide up the draws of these large population centers.

Would you support the Conservation Congress working with the DNR to divide Turkey Management Zone 2 as described?

Additional Information provided by author:

Milwaukee Area - 1.6 million, Green Bay Area - 200,000, Madison Area = 300,000

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
