

Citizen Resolution # 370222

(For Hearing Officer completion)

Catch and Release Bass Fishing Outlying waters of Green Bay and Lake Michigan within 1/4 mile of Washington, Detroit, Plum, Pilot, Hog or Rock Islands

The waters surrounding Washington, Detroit, Plum, and Rock islands have some of the best smallmouth bass fishing the state has to offer. By allowing catch and release fishing outside of the current hook and line harvest dates the door county area would see an economic benefit from anglers across the state being able to fish and experience the excellent fishery that should be available to everyone throughout the fishing season.

Would you support allowing catch and release fishing of largemouth and smallmouth bass on outlying waters of Green Bay and Lake Michigan within 1/4 mile of Washington, Detroit, Plum, Pilot, Hog or Rock Islands at all times of the year?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
