

Citizen Resolution # 370622

(For Hearing Officer completion)

Increase the number of days for the State Youth Spring Turkey Hunt from 2 to 3

In order to provide a better opportunity to our new youth hunters be it proposed that the State Youth Turkey Hunt be increased from 2 days to 3 and include the Friday along with the usual Saturday and Sunday. Some years as is the case this year in 2022 the State Youth Turkey Hunt falls on Easter weekend and with religious and family obligations to account for it can be difficult for hunters to get out on Sunday to hunt therefore limiting them to one day. Adding another day will provide a better opportunity for these young hunters to get out and enjoy the spring woods and possibly harvest a turkey.

Would you support increasing the State Youth Turkey Hunt from 2 days to 3 and include the Friday of that weekend to increase youth hunting opportunities?
