

Citizen Resolution # 380222

(For Hearing Officer completion)

Enable trackers to dispatch wounded game (requires legislation)

Currently in the state of Wisconsin, game trackers using a dog are not allowed to carry a firearm, bow or crossbow. It is in the best interest of the animal to not let them suffer any longer than possible. Regulations require the dog to be leashed, which is very effective at preventing abuse. It would be efficient and humane for a tracker to carry a weapon exclusively to dispatch a wounded animal when located.

Do you support the Conservation Congress working with the DNR, Legislature, and the NRB to allow trackers to dispatch wounded game immediately when located?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
