

# Citizen Resolution # 411422

(For Hearing Officer completion)

## Eliminate December Doe only hunt in all Northern Forest Zones

The current december Doe Only hunt in the northern forest regions of wisconsin often delays the opening of the snowmobile trails in these areas. It prevents the snowmobile clubs from getting the trails checked, cleared and prepped for the snowmobile season. The harvest of does in these areas during this time is low. Doe numbers can easily be reduced at other times or different seasons

### Eliminate the DOE only December hunt in the Northern Forest Regions of Wisconsin.
