

Citizen Resolution # 570222

(For Hearing Officer completion)

Antler Restriction of 6 point minimum for Whitetail deer Hunting in Wisconsin

We need Whitetail Deer Buck Hunting Rules that would create an Antler Point restriction of a minimum 6 points (1" or greater per point) for hunting of antlered Whitetail deer in Wisconsin. This could allow more Whitetail bucks to reach an age of greater maturity and thus could allow an increase in Wisconsin Deer Hunting tourism and license sales.

Do you support Whitetail Deer Buck Hunting Rules creating Antler point restrictions of 6 points or greater (1" minimum per point) for harvest of Whitetail Deer in Wisconsin?
