

# Citizen Resolution # 601122

(For Hearing Officer completion)

## Restore 8 Hours/Day 5 Days/Week Hours of Operation at DNR Service Centers

The current office hours at DNR Service Centers are not convenient to the public. Natural Resources customers are unable to visit DNR offices to get crucial information they are having issues with. Too many license outlet stores do not have the knowledge or expertise to answer many of these questions from the public, leaving the DNR customer very frustrated and angry with the DNR. DNR customers need their local DNR office available to them at convenient hours to them to have their issues addressed properly.

**Would you support the Conservation Congress work with the DNR, NRB, and State Legislature to have DNR Service Centers be open to the public 8 hours a day and 5 days a week?**
