

Citizen Resolution # 700222

(For Hearing Officer completion)

Panfish Protection on Marl Lake, Waushara County

Our lake citizens have voiced concern regarding heavy fishing pressure and harvest of panfish on our no-wake, 30 acre, seepage lake. To protect the exceptional angling opportunity that is currently enjoyed by the public against potential consequences of heavy use, we propose a reduced bag limit on panfish. The current regulation is a daily bag limit of 25 panfish in aggregate. This means that three anglers in one boat could take 75 panfish of any size per day, and so on. We propose a daily bag limit of 15 panfish in aggregate to help our population flourish. Thank you

would you support a daily panfish bag limit of 15 in aggregate on Marl Lake Waukesha Co.
