

# Citizen Resolution # 720322

(For Hearing Officer completion)

## **Eliminate non-resident participation in spring hearing process.**

**ELIMINATE NON-RESIDENT PARTICIPATION IN SPRING HEARING PROCESS** Currently non-residents of Wisconsin are allowed to participate in the spring hearing process. Although most states have the belief that states rights are a part of their constitution this current process would allow non-residents the ability to sway the results of our spring hearing process to something that may not be acceptable to state residents. Therefore, be it resolved that on April 11, 2022 the County of Wood work with the Wisconsin Conservation Congress, and the Wisconsin Department of Natural Resources to correct this situation by no longer allowing non-residents the ability to participate in the Spring Hearing process by in person, or online input.
