CONDITIONS ON WHICH THIS PERMIT IS ISSUED

1. All collections shall be used for establishing nursery beds or for restorations by government agencies, nonprofit organizations, or schools.
2. Collecting shall be conducted in a way that preserves the area's features. In order to avoid attracting attention, all collecting must be done away from roads and trails unless specified otherwise in the permit. It may be necessary to limit the amount and species collected.
3. The permit holder must notify the land manager(s) before beginning permitted activities.
4. This permit does not apply to plant species protected or regulated by state or federal law. To collect protected or regulated plants or animals, you must obtain the appropriate permits from the Department of Natural Resources and/or the U.S. Fish and Wildlife Service.
5. The permit holder shall provide the Department with amounts of clean seed collected by March 1. Address: Native Plant Seed Program Coordinator, Bureau of Natural Heritage Conservation, Department of Natural Resources, 101 S. Webster, Madison, Wisconsin 53702.
6. The permit holder or others authorized by the permit must carry the approved permit while collecting seed.
7. The Department of Natural Resources is not responsible for the safety of personnel or their equipment while collecting seed.
8. The Administrator, Land Managing Agency, may terminate this permit upon the permit holder's breach of any or all the terms and conditions contained herein.
9. The permit holder must abide by the Guidelines for Collecting Seed on Department of Natural Resources Lands, attached.

Permission is granted for the applicant to collect seed on Department land according to the conditions specified on pages 1 and 2, and according to the following reservations: (include project duration)
