

Notice: Use of this form is required by the Department of Natural Resources (DNR) for any application filed pursuant to s. NR 502.11(4)(c), Wis. Adm. Code. Personal information collected on this form will be used for administrative purposes and may be provided to requesters to the extent required by Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.].

Facility Information	
Facility Operation Name	License Number
Burning Pad Location	

The above facility applies for the exemption indicated below:

NR 502.11, Wis. Adm. Code, provides as follows: The Department may grant a license for a woodburning facility provided that (1) a minimum separation distance of 1/4 mile is maintained between the burning pad and the nearest residence or (2) written consent is provided by all adult residents and business owners within 1/4 mile of the burning pad.

If a woodburning facility is located at an existing land disposal operation, a minimum separation distance of 200 feet shall be maintained between the burning pad and the working face of the land disposal operation.

NR 502.11, Wis. Adm. Code, includes but is not limited to the following requirements:

- A. Only clean wood, brush, stumps or trees may be burned.
- B. Burning may be conducted only during daylight hours, and an attendant shall be on duty at all times when burning is taking place. All fires shall be out before the attendant leaves the facility.
- C. Fire-fighting equipment shall be kept at the facility in case of emergency, unless the services of a local fire protection agency are arranged.
- D. The facility shall be operated in a nuisance-free manner consistent with all local burning regulations and permits and in accordance with the state air management rules. A burning permit must be obtained during fire season if the facility is located in a fire control area.

I am requesting an exemption to burn within 1/4 mile of the residences listed on the reverse side. I (we) will operate the woodburning facility in accordance with the approved plan of operation issued by the Wisconsin Department of Natural Resources as well as all applicable rules and regulations, including NR 502.11, Wis. Adm. Code. All necessary signatures from residents within 1/4 mile of the site boundary are on the reverse side of this application. A completed consent form must be returned to the appropriate Department of Natural Resources office before your facility can be considered for the exemption.

Facility Operation Name	Burning Pad location
-------------------------	----------------------

The undersigned, a resident or proprietor located within 1/4 mile of the burning pad listed above, hereby consents to open burning of wood at the site. If a resident or proprietor who previously consented to operation of the facility withdraws the consent in writing, the withdrawal is not effective until the end of the current license period for the facility.
