The following descriptions explain the columns on the Safe Drinking Water Loan Program (SDWLP) Funding List.

1. **Priority Score** – From the Project Priority List (PPL). This is the calculated Priority Evaluation and Ranking Formula ([PERF](#)) score of the project.
2. **Municipality** – The municipality requesting funding through the SDWLP.
3. **Project Number** – Assigned to the project when the Intent to Apply (ITA) is approved, used by Environmental Loans to track projects.
4. **Project Description** – A brief description of the project to be funded.
5. **Region** – The DNR region in which the project is located.
6. **Project Manager** – The DNR Environmental Loans Project Manager assigned to process the application and prepare the Financial Assistance Agreement (FAA) for the project.
7. **CME** – The DNR Environmental Loans Construction Management Engineer assigned to inspect the project and review/approve contract change orders.
8. **Population** – The population of the municipality as estimated by the Wisconsin Department of Administration's [Demographic Services Center](#), determined by Environmental Loans at the time the ITA was submitted.
9. **MHI** – The Median Household Income of the applicant municipality, published by the U.S. Census Bureau with American Community Survey 5-year data, and determined by Environmental Loans at the time the ITA was submitted.
10. **Percent of Market Rate** – The inverse percentage of the amount of interest rate subsidy the municipality qualifies for, as established in [s. 281.61\(11\)\(a\), Wis. Stats.](#) View current [interest rates](#).
11. **Requested Project Costs** – The total amount of funding requested through the SDWLP at the time the application was submitted. This amount is subject to change prior to loan award.
12. **Estimated Loan Amount** – The estimated amount of the project funding which will be provided as a reduced-interest rate loan through the SDWLP.
13. **Total PF Points** – The municipality's eligibility score for receiving [Principal Forgiveness \(PF\)](#), calculated using criteria published in the Intended Use Plan (IUP).
14. **Eligible PF Percentage** - Based on the Total PF Points in #13, the percentage is used to calculate the PF Estimate in #14.
15. **PF Estimate** – The estimated amount of PF this project will receive. This cannot be more than 70% of the total eligible project costs, and is subject to the \$500,000 municipal cap.
