

# Map M: Active monitoring wells

**Figure 1**  
**Well Sampling Map**  
**Badger Army Ammunition Plant**

**Legend**

- |                                     |                                 |
|-------------------------------------|---------------------------------|
| ◆ Future Well - Semiannual Sampling | ▲ Sampled Private Well          |
| ■ Future Well - Annual Sampling     | ● Extraction Well (pumping)     |
| ● Quarterly Sampling                | ★ Extraction Well (not pumping) |
| ■ Semiannual Sampling               | ▭ Groundwater Plume             |
| ● Annual Sampling                   | → Groundwater Flow Direction    |
| ● Biennial Sampling                 | — Road                          |
|                                     | — BAAP Boundary                 |
- Sample Frequency Descriptions:**  
 Quarterly (four times per year)  
 Semiannual (twice per year)  
 Annual (once per year)  
 Biennial (once every two years)
