

Consultant List

This is a partial listing of companies that provide environmental compliance consulting services to small businesses in Wisconsin. Many of these firms have multiple office locations throughout the state of Wisconsin.

Listings of the services provided by these consultants are based on their own claim of experience, and **NO evaluation has been made** as to their accuracy. Inclusion on this list **does not constitute an endorsement** of these companies.

The listing of consultants begins on the next page and identifies the services provided in the following areas:

Air Compliance Services

- EI — emissions inventory reporting
- ST — stack testing
- VE — visible emissions

Air Permit Services

- AM — air dispersion modeling
- MN — minor new source permits
- NS — major new source permits
- OP — operation permits

Other Environmental Services

- HW — hazardous waste
- SR — soil remediation
- WW — wastewater
- RO — runoff (storm water)

Small businesses seeking consulting services may want to contact several companies to obtain information about their services and fees. For more information about working with consultants, check out the companion fact sheet from SBEAP, Tips for Hiring an Environmental Consultant, available at <https://dnr.wi.gov/files/PDF/pubs/sb/SB005.pdf>.
