Dear Name:

On date DNR received request, the Wisconsin Department of Natural Resources (DNR) received your request to hire consulting firm as your environmental consultant for the "site investigation", "remedial action" or "interim action" activities at the site name site. After careful review of the submitted proposals **insert "and supplemental information" as appropriate** the DNR is approving your request to hire consulting firm for the "site investigation", "remedial action" or "interim action" activities at the site name site. The Scope of Work for the "site investigation", "remedial action" or "interim action" is also approved.

Optional: Insert a short description of proposal or other needed information.

Cost approved for this scope of work is \$ amount for consulting and \$ amount for sub-contractors, for a total of total approved \$ for consulting and sub-contractor costs. **Optional. Include if previous approvals on this action:** The cost approved for this "site investigation", "remedial action" or "interim action" is total contract cost. The total cost approved to date for this site is approved total cost.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the Wis. Admin. Code NR 700 series.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program (DERP). Reimbursement is contingent upon availability of funding and a final determination regarding the eligibility of costs at the time of claim review.

If you have any questions or concerns regarding the content of this letter, please contact me at DNR PM telephone number or PM e-mail address .

Sincerely,
