### **Rule Information:**

This rule will serve several purposes, including applying fishing regulations to waters to accomplish new management goals, improving the clarity and consistency of regulations on shared boundary waters with Michigan and Minnesota, establishing statewide regulations that provide harvest opportunity while protecting fish populations, and aligning regulations with public desires for certain waterbodies.

Comments can be made at: [DNRAAdministrativeRulesComments@wisconsin.gov](mailto:DNRAAdministrativeRulesComments@wisconsin.gov)

**Initial Regulatory Flexibility Analysis:** The proposed rule would not impose any reporting requirements on small businesses nor would any design or operational standards be contained in the rule. The rule would not allow for the potential to establish a reduced fine for small businesses, nor would it establish “alternative enforcement mechanisms” for “minor violations” of administrative rules made by small businesses.
