Project Description Summary

Burnett County is requesting funding to pave ATV trail approaches to roads in the Towns of Swiss, Blaine, Webb Lake, and Jackson. Due to heavy summer trail use and rapid acceleration at road crossings, damage to the approaches and the town roads has occurred. The damage consists of large potholes at many trail crossings, along with blacktop from the town road breaking away on some roads. In order to stop the damage that is occurring and prevent additional damage, we are proposing to pave approaches at 15 different locations at this time, for a total of 22 paved approaches.
