Project Description Summary

Shantytown Snowmobile Club is seeking funding for Trail Rehab on their Y Trail. Drainage problems have persisted every season and the club feels adding culverts to three separate spots along the trail would improve drainage. As it stands the water/drainage issue on the trail does pose a safety concern. This is a high traffic trail providing North-South access for trail users going to and from Portage County and Marathon County.

I certify that all maintenance land use agreements are on file.
