Reference # Description of Line Item

Reference #	Description of Line Item
	Revenues (unassigned)
1	Prior year unused balance from Preliminary Fiscal Year End Report June 30, 2022 (FY2022)
2	Carryover encumbrances from FY2022
3	The report from FY2022 used preliminary information. This line adjusts the preliminary information to the actual balance per the final condition statement.
4	#C x \$30 less expenses (C = Active registrations during FY)
5	\$30 x dealer registrations less transaction expenses
6	Municipal registrations
7	\$30 x dealer registrations less transaction expenses
8	Snomobile Dealer Replacement Decals
9	Snowmobile Replacement Decals
10	Snowmobile Replacement Certificates
11	Antique Registrations
12	Antique Renewals
13	# x \$30 less transaction expense
14	# x \$50 less transaction expense
15	# X \$10 less transaction expense
16 17	\$5 per less transaction expense Interest distribution for snowmobile accounts
	Grant from a prior year that were either cancelled or cost less than the advance, so money was returned to the snowmobile fund.
18 19	Pending financial transactions
20	Finance/accounting item for licensing agents
21	Revenue from other sources.
22	Moves to segregated side because must be used for supplemental maintenance first.
	Expenses
23	Appropriation 574 Maintenance
24	Appropriation 574 Development
25	Appropriation 574 supplemental
26	Maintenance on DNR-managed trails
27	Development project expenditures on DNR-managed trails
28	Appropriation 361 law enforcement operations.
	Snowmobile Enforcement and Training Costs are moved onto this appn (370) if necessary. There are other appns within DNR that can pay for these costs.
29	Those other appns do not appear on this financial statement. In a low snow year, we may not see any charges here. That is not because there were no
	snowmobile enforcement and training costs, but rather a different appn covered those costs. The decision of how much cost to transfer here is made by
20	the Law Enforcement Management Accountant. Appropriation 552
30 31	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
32	Council expenditures during FY (Council's budget)
33	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
34	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
35	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
36	Amount committed to grants that haven't been completed at fiscal year end (maintenance and/or development)
37	For miscellaneous Adjustments
38	Preliminary adjusted program balance
	Assigned Revenue (must be used for certain purposes)
20	We spend gas tax funds first, the carryover hear is due to the NR trail pass supplemental surplus we're maintaining for a big snow year. This balance is
39	close to \$0.00 after a big snow year when supplemental is pro-rated.
40	Carryover encumbrances from FY2022
41	The report from FY2022 used preliminary information. This line adjusts the preliminary information to the actual balance per the final condition
42	statement.
42	Registrations from prior year x 50 x .309 = Gas Tax Transfer amount
43	#41 x .55 = Gas Tax Supplement amount Snowmobile Safety Education Revenue
44 45	#22 moved to the assigned revenue side for supplemental use
43	#22 moved to the assigned revenue side for supplemental use Expenses
46	Appropriation 575 Maintenance
47	Appropriation 575 Development
48	Appropriation 575 Supplementatl
49	Appropriation 569 Supplemental
50	Safety and Training expenses - can vary based on Law Enforcement accountant's discretion and lapse requirements
	Amount committed to grants that haven't been completed at fiscal year end (maintenance and/or development) - funds have been reserved on the
51	accounting system
52	Miscellaneous adjustments.
53	Used to determine available funds for development grants (August funding meeting)

Snowmobile Funding August 2023

Snowmobile Grant Funding for '23-24 season

Registration and Trail Pass		
Snowmobile Account (June 30, 2023)	\$ 3,007,643	Registration, Trail Pass
Less: Maintenance at \$300/mile	\$ (6,076,281)	
Total Reg/Trail Pass Funds Available	\$ (3,068,638)	Funds In Hand. (does not include any incoming revenue)

Equipment and Labor Rates for 2022-23 Season Adopted by Snowmobile Recreation Council & Off-Road Vehicle Council

I. SNOW TRAIL GROOMING EQUIPMENT RATES - All rates include power unit, grooming drag & operator(s).

Class	<u>Description</u>	Rate/Hour
AAA	All heavy duty tracked units constructed specifically for snow grooming with a minimum of 150 horsepower and capable of pulling on a sustained basis a hydraulically operated grooming drag of at least 7'6" (90 inches) frame width. OR	\$5 more than AA AAA1 - \$100 AAA2 - \$90
	All fully tracked agricultural tractors with a minimum of 125 horsepower.	AAA3 - \$80 AAA4 - \$70
	Trucks: minimum 1-ton (4-wheel drive), minimum payload of 3,500 lbs., fully-tracked with a minimum manufactured 15,000 GWV track system.	
AA	All heavy duty tracked units constructed specifically for snow grooming having between 149-106 horsepower and capable of pulling on a sustained basis a hydraulically operated grooming drag of at least 7'6" (90 inches) frame width. OR All fully tracked agricultural tractors with 106 – 124 horsepower.	\$5 more than A AA1 - \$95 AA2 - \$85 AA3 - \$75 AA4 - \$65
А	All wheeled or half-track agricultural tractors with all-wheel drive, minimum of 105 horsepower and capable of pulling on a sustained basis a hydraulically operated grooming drag of at least 7'6" (90 inches) frame width.	A1 - \$90 A2 - \$80 A3 - \$70 A4 - \$60
1	Drag is a minimum of 11'6" (138 inches) frame width with a minimum weight of 4,000 pounds and a length of at least 20 feet including snow packing pan but excluding the tongue.	Wings that fold
2	Drag is a minimum of 9'6" (114 inches) frame width with a minimum weight of 3,000 pounds and a length of at least 18 feet including snow packing pan but excluding the tongue .	down outside the main frame do not increase the drag
3	Drag is a minimum of 7'6" (90 inches) frame width with a minimum weight of 2,000 pounds and a length of at least 18 feet including snow packing pan but excluding the tongue .	width for funding purposes. Class is based on static frame dimensions.
4	Drag is a minimum of 7'6" (90 inches) frame width.	
В	All medium duty (including pick-up trucks) tracked units constructed or adapted specially for snow grooming and capable of pulling on a sustained basis a grooming drag 5'10" to 7'5" (70-89 inches) frame width. OR All wheel type agricultural tractors with all-wheel drive or four- wheel drive assist with a range of 65-104 horsepower.	\$50.00
С	All light duty power units constructed or adapted for snowmobile trail grooming and capable of pulling on a sustained basis a grooming drag 4' to 5'9" (48-69 inches) frame width. Examples of the class of power units would include: ATVs/UTVs and snowmobiles. This class also includes all equipment not addressed in other classes.	\$35.00

Notes regarding correct rates for grooming equipment:

- 1. A Class A power unit pulling either an 11'6" or 9'6" grooming drag that does **not** meet the specifications for either 1, 2 or 3 drags will be placed at level 4 for rate purposes.
- A Class A power unit **not** pulling a 7'6" grooming drag will be placed in Class B for rate purposes.
 A Class B power unit **not** pulling a 5'10" grooming drag will be placed in Class C for rate purposes.
- 4. A power unit will **not** be placed in a higher class if it pulls a larger grooming drag than specified for the class.
- 5. Modifications to the drag must maintain original cutting and packing function as designed. Modifications made outside the main frame will not increase the funding class.
- 6. Those winged drags that were previously funded and met the specifications as stated prior 2022-23 season may continue to be funded at their previous classification (drag dimensions included) for a period of 10 years (through 2031-32)
- 7. Groomer time spent traveling on a route that is an integral part of a single funded trail may be funded at a rate of 50% of the assigned groomer rate, as non-grooming transport time. DNR will determine if route is integral to the funded trail.

Last Revised: 10/07/2022 1:05:09 PM

Equipment and Labor Rates for 2022-23 Season Adopted by Snowmobile Recreation Council & Off-Road Vehicle Council

II NON-GROOMING MAINTENANCE LABOR AND EQUIPMENT RATES A

MAINTENANCE LABOR (For other than trail grooming)

A labor rate of \$9.00 per hour maximum is established for all non-grooming labor performed under the maintenance agreement by snowmobile clubs and or other similar organizations with the sponsoring county. Maintenance will generally include mowing and brushing, sign and post replacement, plowing of parking lots and roads, shelter and toilet maintenance and normal repair and replacement of structures and facilities.

The allowable labor rate for county employees and others included in labor contracts will be as specified by contract.

B EQUIPMENT RATES (For other than trail grooming)

The following schedule is based on frequently used pieces of equipment for non-grooming maintenance. The Department of Transportation rates are considered when these rates are reviewed each year.

Equipment rates for pieces of equipment not found on this list will be found in the DOT rates. Unless specified otherwise, these rates for equipment are based on hourly use. These rates do **not** include the operator. Where the Department of Transportation issues rates that reflect an adjustment due to fuel rates, these rates shall be the rates utilized for the season.

Class	Description	Rate
101	All trucks pickups	\$16.00
105	All trucks single axle dual-tire over 26,000 lbs.	\$56.00
128	All Trucks, tandem, tri, quad axle	\$60.00
203	All Tired tractors & All skid-steers up to 49 hp	\$28.00
205	All Tired tractors & All skid-steers 50-99 hp	\$33.00
206	All Tired tractors & All skid-steers 100-149 hp	\$43.00
207	All Tired tractors & All skid-steers 150 hp and up	\$52.00
215	All Fully Tracked tractors & dozers up to 99 hp	\$48.00
217	All Fully Tracked tractors & dozers 100 - 149 hp	\$53.00
218	All Fully Tracked tractors & dozers 150 hp and up	\$82.00
401	Air compressor all types	\$14.00
410	Motorized mower over 23" (self-contained or pull behind)	\$15.00
413	Mower—tractor mounted	\$16.00
414	Sickle attached to power unit	\$16.00
490	Trailer less than 1 ton (use mfr. rated capacity)	\$11.00
491	Trailer 1-4 tons (use mfr. rated capacity)	\$15.00
493	All Trailers over 4 ton	\$26.00
550	Rubber tired Backhoe (80 HP and over) was # 250	\$55.00
555	Excavator Track type (less than 100 HP)	\$48.00
558	Excavator Track type (100 - 149HP)	\$52.00
559	Excavator Track type (150HP and over)	\$65.00
802	Portable electric generator (all types)	\$18.00
902	Chipper self-contained (minimum 25 hp)	\$33.00
914	Chain Saw, pole saw, power pruner, brush saw, weed eaters	\$6.50
914T	Trailblazer brush cutter (attachment)	\$10.50
915	Auger (attachment for tractor/ skid steer), Post pounder-hydraulic	\$32.00

Last Revised: 10/07/2022 1:05:09 PM

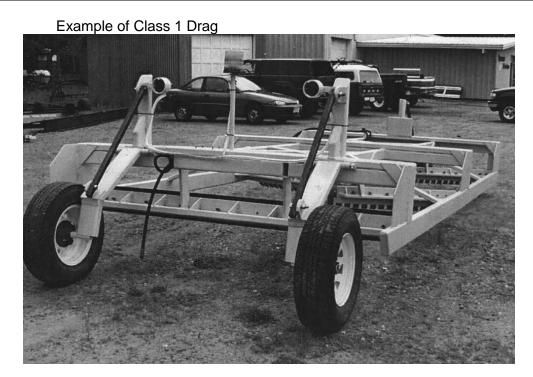

Equipment and Labor Rates for 2022-23 Season Adopted by Snowmobile Recreation Council & Off-Road Vehicle Council

916	Hand-held motorized post-hole digger	\$13.00
919	Disc/spring tooth harrow/cultimulcher/cultipacker/rototiller	\$11.00
922	Welder	\$4.00
932	Brush Cutter - hydraulic driven/Fecon head	\$30.00
940	Brush Cutter—PTO driven	\$23.00
953	Boom for brush cutter	\$15.50
9042	Gas drill	\$5.00
9145	Snowmobile/ATV/UTV	\$19.00
9152	Stump grinder (all) hydraulic/self powered	\$36.00
9205	Rear blade/box scraper/pull behind grader/packing pan/rollers	\$8.00
9406	Chipper, PTO driven	\$25.00

ATV Summer Supplement Adopted by the Off Road Vehicle Advisory Council

Spring/Summer/Fall Trail Grooming Drags

Class	Description	Rate Per Hour
Class I	Drag is a minimum of 7'6" in frame width with a minimum length of at least 16' excluding the tongue. Drag contains at least 2 sets of replaceable cutting blades	\$11.00
Class 2	Drag is a minimum of 7'6" in frame width	\$9.00

Last Revised: 10/07/2022 1:05:09 PM
