

# Let's Go Fishing—Go WILD! Get a DNR Customer ID Number

Personal information collected on this form will be used for administrative purposes and may be provided to requesters as required by Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.].

When you get a fishing or hunting license, or other recreational permit, you will be assigned a **9-digit Wisconsin DNR Customer ID Number**.

You will have this same number forever, no matter which recreational permit you get from the DNR! We ask people who participate in our educational programs like *Angler Education* or *Fishing for Dinner* to get these numbers. This helps us to know if these programs inspire people to buy fishing licenses after participating in these programs.

You can obtain a DNR Customer ID Number:

- by using our online web site and GoWild, <https://gowild.wi.gov/>
- by visiting a DNR service center during their regular scheduled hours
- by calling the DNR, 1-888-936-7463

You will need one or more of the following to get this number:

- Social Security Number
- Driver's License (If you have one, you must report it)
- Passport or Visa Number (If you are not a U.S. Citizen)

If you do not have a visa, passport, or United States Social Security Number:

- Complete the Application and Affidavit for Recreational License, Form #DCF-F-2461-E, provided by Department of Children and Families (DCF) and have it notarized. If the applicant is a minor, both the applicant and a parent must sign in the presence of a Notary Public and both must have a government-issued identification card at the time of signing.
- Bring the completed DCF form to any DNR office or license agent to obtain a DNR Customer Identification Number, that's the unique 9-digit number found on an individual's Wisconsin fishing license.
- Once you have a DNR Customer Identification Number, you can purchase either a nonresident or resident fishing license, depending on your residency status.

**Once you get your DNR Customer ID Number, complete this form and give it to your instructor.**
