Sport Trolling License Monthly Report

Form 9400-249 (R 4/23)

Section 29.514 Outlying water sport trolling licenses.

- 1) No person may be engaged or be employed for any compensation or reward to guide any other person in sport trolling for trout or salmon in and upon the outlying waters unless the person is issued a sport trolling license by the department subject to s. 29.024. No sport trolling license may be issued to any person under the age of 18 years. The application shall include the name and address of the applicant, the name of the home port from which the applicant will operate, the applicant's valid U.S. coast guard operator's license number and other information as required by the department for statistical purposes. The licensee and all persons on board the licensee's boat shall comply with all of the requirements of this chapter. Boats used by the licensee shall meet minimum U.S. Coast Guard and this state's boat licensing and safety requirements.
- 2) Each licensee shall keep records of the number of each variety of fish taken under his or her sport trolling license and other information that the department requires and shall report to the department on forms provided by the department on or before the 10th day of each month on the records for the preceding calendar month. The licensee is responsible for the number of fish taken and shall be held to account for the number.

The following instructions are designed to assist the licensee in preparing the monthly report of fishing activities:
