

**UCCS Task Reference Guide and Standard Invoice #26  
Summary Update**

---

**Wisconsin Department of Natural Resources  
June 2019**

Below is a summary of current proposed changes to the U&C:

- Increase all U&C rates by 3% except:
  - Primary mob/demob rates which were increased 10% in U&C #25
  - WAB32 which was increased 3% in U&C #25
  - VIS05 which was increased in 3% in U&C #25
  - Labor rates which were increased by 3% in U&C #25
  
- UCCS Task Reference Guide updates:
  - Clarify code citations for all tasks
  - Clarify when Task 5, CR30 is applicable
  - Clarify that costs for small-diameter, pre-pack wells should be requested and approved via variance
  - Clarify excavation variance information.
  - Clarify that analytical costs are included in VIS05.
