Our mission is to promote the sustainable, equitable and responsible reuse of underutilized and environmentally-impacted properties. We educate, advocate, assist and convene stakeholders to revitalize communities through land recycling.

2018 has been a remarkable year for CCLR: we reached more people in more places than ever before and established ourselves as the premier redevelopment technical assistance provider in the United States.

2018 Achievements

- Organized regional and state-wide recycling conferences:
  - Carson, California
  - Camden & Sayreville, New Jersey
  - Guayanabo, Puerto Rico
  - Albany, Syracuse & Westbury, New York
  - Yakima, Washington
  - Maui County, Hawaii
- Released three educational videos.
- Launched the National Economic Development Mentoring Network.
- Convened the first National Brownfields Leadership Summit in Washington, D.C. with participants from 25 different states.

Workshops
17 hosted
