

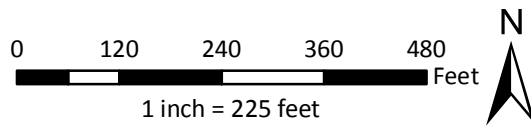

FIGURE 1
2010 Tetrachloroethylene (PCE) Isocontours in Shallow Water Table Wells
Prepared by City of Madison Engineering (2/29/12)

Note: Data for MW7 and MW8 are from August 2011.
Dashed lines are approximate.

Legend

- Shallow Wells (Water Table)
- PCE groundwater plume - 5 ug/l
- PCE groundwater plume - 50 ug/l
- PCE groundwater plume - 500 ug/l
