

# Neighborhood Update

Madison Kipp Corporation Investigation & Cleanup  
Wisconsin Department of Natural Resources (DNR)

**Date: 05/01/2012**

*To keep the neighborhood well advised of progress in the investigation and cleanup at the Madison Kipp Corporation Property, DNR will release updates directly to neighbors through the DNR's website (dnr.wi.gov, search: "Kipp") and through this e-newsletter system. DNR will make efforts to notify property owners and tenants, in advance, when specific data is released that references their property or an adjacent location.*

## **Public Health, DNR Staff Available Monday to Meet with Neighbors One-on-One**

**What:** Madison Kipp Investigation Public Availability Session

**Where:** Goodman Community Center, 149 Waubesa Street (Merrill Lynch Room)

**When:** Monday, May 7 – 6:00pm to 7:30pm

Residents who live in the vicinity of Madison Kipp Corporation will have another chance to speak one-on-one with public health and DNR staff about recent contamination test results from neighborhood homes.

Public Health: Dane County-Madison and the DNR are hosting a public availability session on Monday, May 7 at the Goodman Community Center (Merrill Lynch Room). Staff will be available from 6:00pm to 7:30pm to talk with neighbors about any questions or concerns they have regarding the latest PCE testing inside 19 homes, and the recent discovery of PCB contamination.

See [Neighborhood Update – 4/30/12](#) for information on the latest PCE- test results and [Neighborhood Update – 4/19/12](#) for information on PCB contamination. [Click here](#) for information on PCBs from the Department of Health Services and [click here](#) for health information on PCE.

We look forward to meeting with you. If you are unable to attend the session, but have unanswered questions about the current investigation and cleanup at Madison Kipp Corporation, use the "Additional Resources" box below to find a DNR or public health contact.
