Wisconsin
PFAS Action Council
JULY 16, 2020
Agenda

- Welcome and recap
- Issue paper review: consent agenda I & II
- Issue paper review: discussion items
- Advisory group recommendations & public input
- Next steps
- Public Input
Welcome & Recap

- Phase 2
- One-on-one calls with WisPAC members
- Edits to issue papers
- Development of consent agenda

Wisconsin PFAS Action Council (WisPAC)
One-on-One Calls
Topic 1

Consent Agenda

Two parts:
I. Content of issue papers
II. Structural changes

Items needing additional discussion get pulled into next agenda topic for further discussion (Topic 2)
Thumbs up

- You support including proposals listed in PFAS action plan
- Final language/issue papers would be on August agenda

Thumbs down

- You do not support one or more proposals listed in the Consent Agenda
- Indicate the specific proposal(s) by letter that need to be addressed
- Identified proposals will be discussed by WisPAC separately, as part of the next topic
Proposal A: Support the *general content* of proposals listed in handout

- WisPAC: 
  - 
  - Any items for further discussion? If so, can discuss in Topic 2.
Proposals B – G: consolidation of related, individual issue papers into single proposals

- (B) Mapping (4 papers)
- (C) Research (6 papers)
- (D) Financial Tools (3 papers)
- (E) Outreach & Communication (7)
- (F) PFAS Clean Sweep (2 papers)
- (G) PFAS containing products (parts of 2 papers)
Discuss individual proposals brought forward from consent agenda for further discussion
Discussion items identified during review period one-on-one calls:

- Significant changes to Issue Papers
  - Clean Sweep Program
- Incorporating environmental justice and health equity considerations
- Incorporating budget/financial considerations
New issue papers

- DVA/DMA: Support Wisconsin Veterans
  - Blood testing for firefighters
  - Medical services
  - Outreach

- DNR: DNR + DOD collaboration
  - Cooperative agreements with states (DOD)
  - Nationwide sampling (USGS)
Strong overlap between WisPAC issue papers and advisory groups on general recommendations

Some differences on the “how” of implementation

Groups’ perspectives to be included in report in several ways
**Topic 3**

**Showing input**

<table>
<thead>

Wisconsin PFAS Action Council (WisPAC)
Topic 3

Showing input

Wisconsin PFAS Action Council (WisPAC)
In-between work:

- Ongoing discussions on DRAFT plan development
- Collect PFAS related actions and accomplishments from agencies

Meetings:

- WisPAC August 13th
  - Approve DRAFT PFAS Action Plan that can then be put out for public comment
  - Potential listening sessions during public comment period
Public Comments

• Public welcome to provide suggestions, information or other input to WisPAC
• “Raise Hand” and you’ll be unmuted to ask your question

OR

• Written submissions welcome via the comment function in Zoom
