**RE: Sandpiper Pipeline Project in Wisconsin**

Dear Mr. Callan:

In light of market conditions, timing and current project scoping, Enbridge (U.S.) Inc. ("Enbridge") determined that it will not pursue the regulatory approvals and permits necessary to construct the Sandpiper Pipeline Project in Wisconsin. Therefore, Enbridge respectfully withdraws its Wisconsin Department of Natural Resources application for individual wetland and waterway permits.

Please contact me at (218) 522-4856 or [paul.eberth@enbridge.com](mailto:paul.eberth@enbridge.com), or Rachael Shetka at (218) 428-0592 or [rachael.shetka@enbridge.com](mailto:rachael.shetka@enbridge.com) should you have questions regarding this request. Thank you for your assistance.

Sincerely,

A handwritten signature in black ink that reads 'Paul Eberth'.
