

Woody Biomass Producers

The following is a listing of companies and individuals who have let it be known to the Wisconsin Department of Natural Resources that they produce woody biomass products in Wisconsin. The Department of Natural Resources presents this list with no intended endorsement of a particular company or services rendered, nor are criticism implied of companies not listed. Additional companies are available in Wisconsin, but have not contacted the Department and are, therefore, not listed below.

The DNR developed this list based on available resources and proactive outreach and contacts. The list is not inclusive. If you are interested in adding your company or organization to this list, please contact the WI DNR Forest Products Services Program or submit the form provided at the end of this directory.
