

Small Business Advisor - February - 2017

Topic in this edition:

- Nominations for Clean Air Recognition awards and Commuter Champion awards now open

Nominations for Clean Air Recognition awards and Commuter Champion awards now open

The Wisconsin Partners for Clean Air sponsors two annual award competitions to recognize business and organizations in Wisconsin that voluntarily take action to improve our state's air quality. The Clean Air Recognition Awards distinguish businesses and organizations for their clean air accomplishments and provide a venue for the organizations to share information about their successes with others. The Commuter Champion Award recognizes those organizations that provide exceptional transportation options to their employees.

The nomination deadline for both awards is March 17, 2017. The awards offer a positive image for the nominated businesses or organizations among the public, customers and employees. Organizations are encouraged to self-nominate, nominate other businesses or organizations, or forward the nomination information along to other businesses or organizations to self-nominate. Visit the Partners website for nomination guidelines and a list of previous winners: <http://cleanairwisconsin.org/awards/>.

Awards will be announced at the annual Clean Air Extravaganza event held in May in the Milwaukee area (event details will be posted on the Partners' website when available).

For more information, please contact Jessica Lawent at 414-263-8653 or jessica.lawent@wisconsin.gov.
