## Welcome!

**Upper Gresham Lake Campground**, sites 1501-1525, is in the middle portion of the Northern Highland American Legion State Forest on the northeast corner of Upper Gresham Lake. This popular 362-acre lake is known for great fishing and boating. There is also an ADA designated fishing pier located adjacent to the boat landing area as well as parking. Within the campground you will find a small updated beach that gives campers swimming opportunities. All sites in this campground are on a non-reservable basis. **Upon arrival, campers should find an available campsite and register at the self-registration station located near the campground entrance, or register with the campground manager.**
