WILLLOW FLOWAGE SCENIC WATERS AREA (Oneida County)

Comment period:
March 14 to April 4, 2018

Public input on the draft variance to the recreation portion of the 2016 master plan

The Department of Natural Resources (DNR) is proposing a change to the recreation portion of the 2016 master plan to allow the establishment of two parking areas: (1) a 15-vehicle lot at the far south end of the property off Prairie Rapids Road to accommodate snowmobilers, ATV/UTV riders and boaters, and (2) parking for two vehicles for people with disabilities along Willow Dam Road near the dam.

This form is intended to gather your ideas and perspectives about the proposed variance. You can review the variance by visiting the DNR webpage (dnr.wi.gov and search keyword: "Willow Flowage variance"). Please share your perspectives on the following topics:

1. What proposed changes in the variance do you support? Why?

        NONE

2. What proposed changes in the variance do you oppose? Why?

        ALL

3. Are there parts of the proposed variance that are confusing or unclear? If so, which parts and what changes would you suggest?

4. What other comments or suggestions would you like to share regarding the proposed variance?

5. About you (optional)
