

# Help Out on State Natural Areas

## Bluff Creek Workday

Enjoy the spring blooms and help control invasives at Bluff Creek SNA. Come see what's blooming and help volunteers during our Southern Kettle Moraine SNA workdays. Enjoy a short hike through the woods to a springs complex, then use aspen girdling tools to remove aspen or sprayers to remove invasives. This work will help promote native seedlings we have planted in the woodland and wetland plant communities. No skills needed you will be trained onsite.

**Date:** May 11

**Time:** 9am-noon

**Directions:** Lone Tree parking lot. From Whitewater take Co Hwy P south past Hwy 12 about 2.5 miles and turn left on Esterly road. Travel a short distance and park on the parking lot on the east side of the road. Overflow parking along the road. [Google map](#)

**What to wear:** Dress for the weather and wear clothes that are OK to get beat up, long pants and long sleeves, boots, safety glasses (we will have extra).

**What to bring:** Sunscreen, drinking water.

If the workday is cancelled due to weather conditions, a message will be left at 262-441-0393 at least two hours prior to the event. If there is no cancellation message, the workday will continue as scheduled.

**Contact:** If you plan to come please contact Ginny Coburn at [virginiacoburn@coburn.com](mailto:virginiacoburn@coburn.com) or 262-441-0393 so we know how many to expect. But if you don't get around to notifying, come anyway! Call Ginny if you need direction help.

**Next workday:** May 23 – Invasive removal
