

Help Out on State Natural Areas

Centennial Glade Workday

Join us for a day of clearing woody plants from the Centennial Bedrock Glade State Natural Area at Interstate Park in Wisconsin. This is a great opportunity to learn about and help improve this unique natural community. The work will increase the amount of sunlight for rare glade plants.

RSVP required via email to Alex at president@nativeseedproject.org

[Info on Centennial Bedrock Glade.](#)

Dates (2019): 3/31, 4/21, 5/19, 6/16, 7/21, 8/18, 9/22, 10/20, 11/3, 12/22
