I am writing to support the WDNR’s proposals for ecological restoration, habitat management and quiet nature-based recreation on the former Badger Ammo lands but do NOT support proposed on/off-road motorcycles, high power rocketry and a future gun range because:

- these are incompatible with natural preservation and there are already facilities for these activities. The original intent for Badger was natural preservation. Don’t undo what has been decided on for 15 years.

I am writing to support the WDNR’s proposals for ecological restoration, habitat management and quiet nature-based recreation on the former Badger Ammo lands but do NOT support proposed on/off-road motorcycles, high power rocketry and a future gun range because:

- These have nothing to do with quiet nature-based recreation.
- There is nothing to do with low impact behavior.
- The DNR has agreed with low impact behaviors.
