RESOLUTION

Whereas volunteers are an integral and necessary part of the Wisconsin Department of Natural Resources’ workforce, and

Whereas access to use of Department of Natural Resources’ vehicles by volunteers is essential to operations and quality customer service of the Department,

It is therefore RESOLVED that the Governor’s State Trails Council supports an exemption for qualified volunteers within the Wisconsin Department of Natural Resources from the mandate by the Wisconsin Department of Administration to allow only state employees use of state vehicles.

Passed this twelfth day of July 2004 by the Governor’s Wisconsin State Trails Council.
